

SESAPS 2009

Poster Guidelines

1. Posters should be able to fit in a 4 ft. x 4 ft. area with a border of at least half of an inch to allow for it to be mounted with thumb tacks.
2. Use large fonts and plan for the poster to be read standing at least 3 feet away and viewable by multiple people.
3. Posters should be put up between 12:00 and 1:00 pm and taken down at 6:45 pm.
4. The author should be standing with the poster from 5:00 to 6:45 in order to answer any questions associated with work detailed on the poster.
